Job Opening

The chair of Macroeconomics is looking for a motivated

Student Assistant (m/w/d)

Expected starting date is March 15, 2019 or later. The paid position comprises 20 hours per month and is limited to the end of the summer semester for the time being. Duties include assisting in research projects, library service, and various other tasks related to the day-to-day work of the chair.

Ideally you have a strong background in macroeconomics and/or have already completed some courses at our chair. Successful candidates must be fluent in English, well organized and able to work independently. A good command in MS office programs and willingness to acquire new knowledge in statistical software packages, for example MATLAB and R, are required; familiarity with statistical programs and/or experiences in research would be advantageous. Applicants must be currently enrolled in a degree program at the Friedrich-Schiller-University.

Please send your CV, cover letter, and a recent transcript of records to lars.other@uni-jena.de until February 17, 2019. If you have any questions, please do not hesitate to contact us.

We looking forward to your application!

Prof. Dr. Maik Wolters
